Bulletin Board discussion

- OSA proposed to have our bulletin boards enclosed so it could be only for KCC and another bulletin board for non KCC related
- What does the group think?
  - It seems like it may work, but at the same time someone can put distasteful images posted on the board
  - Keep the glass boards by the bus stops so that when people get off the bus they can get a look at the board to see what's happening.
- Where do you want the bulletin boards located?
  - Outside and inside of the library by in that intersection where students cross by
  - By Ilima across the rock wall by the great lawn, by the Banyan
  - The one near Subway, one can be glassed up one can be open
  - Maida Kamber Center
